

How to join . . .

Who is eligible?

To initiate the SAR membership process, you should begin by ensuring you can satisfy the SAR membership requirements that you are a direct descendant of a Revolutionary War Patriot. The SAR does not restrict membership on basis of race, age, color, religion, national origin, nation of citizenship or residency.

Who we are:

We are a brotherhood of adult and youth males united by lineage connections to the Patriots that sacrificed their lives and fortunes to give us the United States of America. Descent from those Patriots bears a responsibility to reverently honor their lives and sacrifices. The SAR provides us with opportunities to share our passions and interests in our communities, our states, and the nation. Just as our Patriot ancestors worked together to overcome obstacles and achieve high levels of success, we work united to achieve common goals.

SAR values:

- Love of God, Country, and family
- Valuing our members and encouraging growth of membership
- Providing opportunities for all members to express their interests and passions
- Appreciation and support for the service and sacrifices of our Patriots, veterans and active duty military
- To recognize, embrace, support and defend the distinctly American principles of government established in our Constitution and Bill of Rights that are greater than any one individual
- Preservation of the great traditions and symbols of American freedom and liberty
- Understanding and appreciating the value of our American heritage and demonstrating reverent pride toward all Patriots
- Serving in communities - local chapters are the face of SAR
- Sharing our knowledge with others, assisting with historical education for youth and sharing correct historical information at all times
